## CALL FOR ELEVATOR PITCHES

Would you like to present your project, product, service, business idea or institution/company to the nanomedicine community? **Then apply for an elevator pitch and save 25 €!**

Contributions from platform members will be given priority, but the call is open to everybody.

## FEES

Regular 70 €

For platform members and presenters 45 €

**Deadline abstract submission:**

**6 March 2019**

**Deadline registration:**

**13 March 2019**

The Annual Meeting 2019 is dedicated to:

- » Smart strategies to apply nanomedicine in relevant clinical settings,
- » The services which are available in Germany and Europe, to translate your idea into practice,
- » And the future focus of the German Platform NanoBioMedicine.
